Re: Request For Information

Dear Mr. Neilson:

I understand you recently spoke with Peter Brinton about doing mining or exploration on lands near an expired exploration site (E/023/0076) about one mile west southwest of Coyote Knoll. You can either apply for an exploration permit or a small mine permit. Enclosed are the forms for a Notice of Intention to Commence Small Mining Operations and a Notice of Intention to Conduct Exploration.

Please review these documents and submit them as you feel appropriate. Please feel free to call me at 801-538-5261 or Wayne Western at 801-538-5263 if you have any questions about them.

Sincerely,

Paul B. Baker
Minerals Program Manager
